Scott's Emergency Plan to Help You Buy Seed Now.

Seeding time for you is selling time for us. We therefore believe we can be helpful to each other by co-operation.

To conduct our business it is necessary for us to get in some cash because all of our ready money is tied up in closed banks. For that reason we will give a special

10 Percent Cash Discount

from the enclosed prices, if you are fortunate enough to have ready cash to send in the form of currency or a money order. If all of your funds are in banks, we will try to help you get your seed. Possibly some special terms can be arranged.

Here is what we suggest. Fill out the order blank for what you need, include a part payment if you possibly can and tell us when you can pay the balance. Then we will do our best to ship your order immediately.
